PENN-CUMBERLAND GARDEN CLUB
HARRISBURG • WEST SHORE AREA

SEPTEMBER – OCTOBER 1916

OUR PRESIDENT'S MESSAGE

Our 2016-2017 year got off to a fantastic start with the July Flower Show, "Nature's Celebrations," at the Capital City Mall. Thanks to the hard work of co-chairmen Terri Maclay and Karen Schwarzbauer, the Flower Show Committee, and all those who entered for making the show a success. If you missed the show, check out our Facebook page for photos.

Another wonderful early event was the September District IV Meeting sponsored by our club. Kudos to Nancy Hackett and the committee for chairing the meeting/luncheon, to Pressed Flower Designers for decorating president's bags, and for unique centerpieces designed by the Floral Designer Guild.

Starting September 2016, regular meetings will begin with the program at 10am, followed by the meeting and then the luncheon. This will give our speakers a firm starting time. On September 19, we'll learn about Hugelkultur Garden Beds from John Darby, Education Director for Horn Farm Center. Students and advisors from Steelton-Highspire High School join us October 19 with a program on their Aquaponics "School to Table" Initiative. A highlight of this meeting will be cuisine samples from the Garlic Poet restaurant using vegetables grown by the students.

We are fortunate to have three NGC schools in the local area due to the diligence of Sue Daugherty in bringing courses to Trails and Trees Environmental Center, Mechanicsburg. Environmental Studies School Course 2 was held August 16-17 and Course 3 will be held October 4-5. On November 14-15, Landscape Design School Course I will be held in Lancaster. The Board and Floral Design Guild will meet November 21 instead of November 14 to allow members to attend this school.

Some great trips are coming up. Join the travel committee's bus trip to Mt. Cuba Center gardens September 29 for a greater appreciation of native plants. Make a birdfeeder at Meadowbrook Gourds on October 6. Then we have a unique opportunity on October 12 to tour the Ironmaster's Mansion at Pine Grove Furnace State Park with a catered lunch, and visit the Appalachian Trail Museum next door. This trip, sponsored by the Birds, Butterflies and Wildflower Committee, provides an opportunity to see a project PCGC supported with allocations to the Central Pennsylvania Conservancy.

The 47th Scholarship & Community Projects Benefit Luncheon is November 28. This year's program is "Yesterday's Inspiration for Today's Trends" featuring our own floral designer, Terri Maclay. This is a fun day, beginning with a holiday market from 9-12 that includes delicious PCGC baked goods, a varied assortment of greens, pressed flower designers' artwork and new jewelry line, ways and means (like- new thrift items), and 20+ outside vendors. The luncheon begins at noon and is followed by Terri's floral design demonstration. "Baskets" will be raffled after the luncheon/program as well as door prize winners of Terri's floral designs announced. All of this supports scholarships, library books, allocations and civic beautification.

Keep growing!

JOYCE

FLOWER SHOW - JULY 25 - 26

Center Court of the Capital City Mall was the setting for Penn-Cumberland Garden Club's (PCGC) recent Standard Flower Show "Nature's Celebration." George Weigel cut the ribbon to open the show that included 332 entries in Horticulture, 40 in Design, 16 in Artistic Craft, and 4 Educational Exhibits. A panel of 9 judges determined 14 National Garden Club's (NGC) Awards, 2 Garden Club Federation of Pennsylvania Awards (GCPF), and 3 PCGC Awards to those who had created outstanding displays for the show.

NGC's Horticulture Top Exhibitor Awards --Valerie Rowader's Succulent Combination Planting - the Award of Horticulture Excellence And the Grower's Choice Award; Andrea Campbell's Calla Lily - Annual Award of Merit, Heather Dunphy's Dahlia - Perennial Award of Merit, Valerie Rowader's Vitex - Herb Award of Merit, Joyce Wallen's Large Leaf Hosta - Hosta Award of Merit, Sheri Goff's Carrots - Vegetable Award of Merit; Valerie Rowader's Thyme Collection - Collector's Showcase Award. The NGC Design Top Exhibitor Awards -Andrea Campbell's Creative Design staged on a Table - the Award of Design Excellence and the Designer's Choice Award; Bonita Lewis' Functional Informal Table - the Table Artistry Award, Ruth Zook's Miniature Design - the Petite Award. The NGC Special Exhibits Top Exhibitor Awards - Anne Keck's entry for the Pressed Flower Birdhouse Challenge - the Artistic Crafts Award and Joyce Wallen's exhibit on Hosta 101 - the Educational Award.

Plus, Susan Wilder's exhibit on PCGC's involvement with the Ames Community Garden - the GCPF Conservation Silver Award. And, the GCPF Staging Award was given to the club for scoring above 90 points for the show lay-out.

PCGC's President's Award was awarded to the Bromeliad scoring the most points—Peter Schwarzbauer. PCGC's Rosemary House Award was given to the Herb scoring the most points—Valerie Rowader. And, The Margaret K. Waters Memorial Trophy was presented to the exhibitor with the most blue ribbons in Horticulture and Design—Valerie Rowader.

SCHOLARSHIP RECIPIENTS FOR THE 2016-2017 SCHOOL YEAR

PCGC's Esther B. Kolze Scholarship of **\$2,000** has been awarded to **Meredith Grace Mayer**. She graduated from Central Dauphin High School and will be attending Delaware Valley University. Her major will be Ecology and Environmental Biology with a minor in Sustainable Agriculture Systems. Meredith's intended career is as an urban farmer or sustainable farmer. (The Scholarship Committee was happily surprised to discover that Meredith's grandmother is a PCGC member--Dee Titus.)

PCGC Members Duane and Sue Greenly kindly donated a **\$1,000** Scholarship from the Greenly Foundation. This scholarship was awarded to **Eleni Jones**. (Eleni was the 2015 recipient of the PCGC Esther B. Kolze Scholarship.) Eleni is a third year student in the 5-year Bachelor of Landscape Architecture Program at Penn State University, University Park, PA. Eleni's minor studies include Geography and Environmental Inquiry. Her intended career is Landscape Architecture.

PCGC sponsored **Allysha Bittinger** for a Garden Club Federation of Pennsylvania (GCFP) Scholarship. Ally was awarded The Miriam A. Steel Scholarship of **\$1,000**. Ally is a graduate of Northern High School and will be attending Houghton College. Her intended major is Biology – Environmental Science. Ally hopes to work as a Recreational Worker/ Environmental Specialist in National or State Parks. Her long term goal is to open an Environmental Adventure Education Camp for underprivileged youth. It would educate youth about the environment around them, as well as use various challenges and obstacles to strengthen their character and leadership skills so they can apply them to the real world.

In the 1990's, PCGC sponsored her mother, **Christine (Sanderson) Bittinger**, for the same scholarship. Christine, a Mechanicsburg High School graduate, went on to get degrees from Susquehanna University and Drexel University. She is now an Environmental Consultant and Professor at Harrisburg Area Community College.

BIRDS, BUTTERFLIES AND WILDFLOWERS

Please mark Wednesday, October 12, 2016 on your calendar for a trip to tour the Ironmaster's Mansion at Pine Grove Furnace State Park. This is a special opportunity to see this beautifully restored mansion – now available as a hostel for hikers - and have a catered lunch. Because PCGC helped support this project with allocations to the Central Pennsylvania Conservancy, the innkeeper has waived all fees not related to the cost of our lunch. Soup, sandwich and salad will be prepared for us for less than \$10 per person, depending on how many we have. The CPC continues to manage and operate the Ironmaster's Mansion. They host a variety of events including the Goddard Leadership Legacy Institute and promote the facility for special events and programming, including summer history tours. They also host hikers with overnight accommodations in the youth hostel. After lunch, we will plan to visit the Appalachian Trail Museum next door. This will be a great way to see the fall foliage and some beautiful historical buildings. We'll carpool from the Camp Hill Borough Building at 10:00 a.m. Please contact Susan Wilder to register before September 28th, when we must submit our final count.

Looking ahead....on Wednesday, March 15, 2017 we will have a guided tour of the new conservatory and butterfly atrium at Hershey Gardens. On Wednesday, May 3, 2017 we will have a guided walk along part of the Letort Spring Run. We'll have further details on both of these trips closer to the time.

BALD EAGLE STAMP PROGRAM

All members save and contribute cancelled commemorative postage stamps to benefit The Florida Audubon Center for Birds of Prey located in Maitland, Florida to help offset their costs for care and rehabilitation of injured raptors. Commemoratives are the special stamps that are issued for limited time. Both cancelled and uncanceled stamps are accepted:

1. Any foreign stamps
2. Any size commemoratives or special handling stamps
3. Any State or Federal hunting and fishing licenses stamps
4. Any mint-condition stamps with gum as issued
5. Stamps that are affixed to envelopes, but are not cancelled
6. Picture postcards in good condition, especially pre-1960's

Cut off the envelope corner at least ¼" around the stamp to avoid damaging the stamp. The entire postmark is *not necessary* unless it is particularly symbolic (e.g. Christmas) or amusing (e.g. Happy, TX.) Stamps collected at our club meetings are sent to the Audubon Center for Birds of Prey in Maitland, Florida.

Susan Wilder – Birds, Butterflies and Wildflowers Chairman

CHANGES IN MEETING FORMAT

First change - our speakers will give their presentation starting at **10:00 A.M.** and will always have the full hour. Next, at **11:00 A.M.** will be the business meeting, followed by lunch.

Next change - our September meeting will be the **Annual Fall Covered Dish Social**. Members whose last name begins with **A to K** will bring the food (8 to 12 servings).

Another change- there will be no more June luncheon but rather a regular June meeting and it will be the **Annual Spring Covered Dish Social**. Members whose last names begins with **L to Z** will bring the food (8 to 12 servings). During the June meeting, we will continue to honor our former presidents and this year have installation of officers.

Fern Oram and Peggy Green, Hospitality Chairmen

BLOOMIN' BUCKS WITH BRENT AND BECKY'S

Did the daffodil display at the herb tea inspire you to plant a larger variety of daffodils? Brent and Becky's Bulbs have a great selection of daffodils listed by Division. If you have limited space, consider miniature daffodils. Lots of other bulbs are available. For winter foliage, plant *Arum italicum*, which later has spikes of bright red berries in the summer. (photo by Joyce Wallen, garden of Chris Wallen)

Order quality bulbs from Brent and Becky's Bulbs through the "Bloomin' Bucks" program for PCGC to receive 25% of orders. At the www.bloominbucks.com website, scroll down and select Penn-Cumberland Garden Club from the list.

Joyce Wallen

FALL PLANT SALE AT SEPTEMBER MEETING

Fall Plant Sale at the September meeting. Bring your plant divisions and extra house plants to the meeting by 9:30 am.

Anne Boyer, Plant Sale Chairman

FLORAL DESIGN GUILD

The Floral Design Guild will meet for the first time this year on October 10 at 10:30 AM at the Lower Allen Township building. The plan is to make a fall arrangement of your choice. All members are welcome to join us and this is a great way to get to know other members in an informal setting. The successful flower show proved that all the past years of learning have paid off with many beautiful designs. This group has been a great experience for me and I look forward to another year of learning and arranging flowers together.

Judy McGinnis, Floral Design Guild Chairman

PRESSED FLOWER DESIGNERS SEPT/OCT SCHEDULE

Tuesday, September 6, 9am - Noon —Workshop at Lower Allen Township Building. We will be working on Bridge Score Pads and Cards

Wednesday, September 7, 8:30am - Noon—Sale Table at Annual District IV Meeting, Susquehanna Room, New Cumberland Army Depot

Friday, September 9 -18—Educational Exhibit at York Fair, York Fairgrounds

Monday, September 19, 9-10am— NO Sale Table at PCGC Regular Meeting due to the fall plant sale

Monday, October 3, 9am –Noon—Workshop at Lower Allen Township Building. **Special Guest**—Yvonne Snyder of the Littlestown Garden Club. After several years of pressing, Yvonne is ready to share some of her materials and flowers with our group. She will be bringing some of her prize winning pictures. And, with a little urging I am sure she will share some of her experiences on teaching, lecturing, showing at the Philadelphia Flower Show, and her friendship with Eugene Burkhart who wrote one of our favorite books on Pressed Flowers.

Karen Schwarzbauer, Pressed Flower Designers Chairman

PCGC TAKES ON THE MILLION POLLINATOR GARDEN CHALLENGE

As a member of the National Garden Clubs, Inc, the Penn Cumberland Garden Club is joining this National effort to register 1 million pollinator gardens in the next two years. We have registered our first garden on The Million Pollinator Garden Challenge Website. We thought it would be fun if you held a poster with PCGC and our logo on it. There will be a sign-up sheet at the September meeting. We will come to your home and take your photo with the poster and register you on the website.

Photo: Ann Burnett and Chris Doran

Karen Schwarzbauer, Publicity Chairman

A SPECIAL THANK YOU

I always felt the members of PCGC were very special. It became quite evident to me personally when my husband, Don, died in June. My heart was truly touched by all the loving support through cards, attendance at the memorial service, bouquets, caring phone calls, donations to CHPC and Homeland Hospice and delicious food for sustenance. I love you. Thank you.

ANN MARKLEY

2017 SMOKEY BEAR AND WOODSY OWL POSTER CONTEST DEADLINE—JANUARY 20TH, 2017

The National Garden Clubs, in association with the Forest Service, sponsor a Smokey Bear and Woodsy Owl poster contest for children in grades 1-5 each year. The purpose of the posters is to encourage children to take a personal role in preventing wildfires and conserving national resources. Each participant receives a certificate. Subsequently, the NGC chairman and Forest Service employees award \$50 to a national winner in each grade. The judges then select a grand prize winner from this group. That winner receives their \$50 check at a special recognition ceremony in Washington, DC. If you know of an elementary school artist, or art class, that would be interested in participating, please contact Karen Schwarzbauer for instructions on how to participate

Photo: 2016 Winner—a 4th Grader from Germantown, Tennessee

HORTICULTURE

On Monday August 15, 2016 the Horticulture Committee met at the Lower Allen Township Building. Committee members were eager to consider agenda items which consisted of: a Mini Flower Show, Horticulture Hints and Help(HHH) and Tour Suggestions.

A mini flower show is being scheduled during the June, 2017 meeting. The purpose of such a show is to provide practice and knowledge of how to make entries and designs for a sanctioned show. Such an event will provide practice on arrangements, explanations of "how to" and improvement suggestions. More information will follow during monthly meetings. Get your thinking caps on and consider entering. We hope it will be a fun and informative event.

A second discussion item was the Horticulture Hints and Help (HHH) feature for providing expert assistance with questions and answers sought by our members. The questions and responses will be published in upcoming newsletters. Questions should be emailed to Sheri Goff (sgoff24261@aol.com) who will then contact an expert volunteer club member for an answer, and will then respond back to the questioner. We have so many knowledgeable individuals within our club and it will be helpful to access their valuable expertise for the betterment of our plants and gardens.

The third item discussed at the meeting was Horticulture Tour suggestions. We have some interesting tours planned for the near future. A tour of Quality Greenhouse in Dillsburg for an upcoming Sunday, Meadowbrook Gourds in October, Five Points and John Bartram Gardens in 2017 are being scheduled. We look forward to an exciting and fun year for Penn Cumberland Garden Club.

Carol Hollis, Horticulture Chairman

WAYS & MEANS

GENERAL MEETING RAFFLES: The following members will be generously donating raffle items.

September 19 - Joyce Wallen
October 17 - Janet Kissinger and Gail Siemans
November - Benefit Market
December 19 - Fern Oram

BENEFIT DONATIONS: We will be accepting new or slightly used items for our Benefit Market at our September and October meetings. I will accept donations by appointment at my home preferably before November 18th. We will not be accepting any items after the November 20th deadline so we can have everything priced before Thanksgiving. Please call 377-7017 before drop off at the home of Dee Titus 5257 Deerfield Ave, Mechanicsburg. Thanks for your cooperation.

FFF EVENTS in 2016: Thank you to those members and friends whom attended our FFF at Isaac's in July. We had an enjoyable evening and raised \$87.50 for the club. **Mark your calendars:** November 14, 2016 - HOSS'S Restaurant, next to Stauffers of Kissel Hill, off of Route 15 in Mechanicsburg.

Dee Titus, Ways and Means Chairman

CONSERVATION / ACTION COMMITTEE ON THE ENVIRONMENT

Welcome to adventure! Do you enjoy knowing the latest information and having a rousing good discussion of current events? Then join in with the conservation committee, bring your ideas and coffee mug. Penn-Cumberland has picked up the National Garden Club Challenge of creating a **million pollinator gardens** across the country as a protected toxic free corridor for wildlife including bees, butterflies, birds and amphibians. Mark your calendars for Sept.22, Oct. 27, Nov.17, Jan. 26, Feb. 23, Mar. 23, Apr. 27, May 25th. for the conservation meetings.

The third course of **The Living Earth Environmental Studies School** will be held Oct. 4 and 5 at the **Trails and Trees Environmental Center** Mechanicsburg. This informative course is sponsored by the Garden Club Federation of Pennsylvania. Among the subjects will be the Paris Conference on Climate Change, the Rain Forest, Networking in Schools, Endangered Wildlife and more. You may start these schools with any course. After completing all four courses you will have earned the National Garden Club's Environmental Consultant designation. PGC offers a \$50.00 scholarship upon completion of each course to members.

Basic Conservation R/X for a Healthy Home: 1. Leave shoes at the door. Avoid bringing toxics into your home. 2. Use natural cleaning and personal products. Grandmother knew best! Vinegar, baking soda, etc. 3. Avoid plastic products. This includes plastic water bottles and styrofoam. 4. Practice environmental gardening.

WHITE FEATHER ALERT: In Congress our representatives are working to pass legislation which will allow food companies to **NOT LIST** the contents of their container. Replacement would be a small black square on the product. If you want to know contents, flash the square with your smart phone which will send you to their web site which describes the content. The name of this bill is "The Dark Act," keeping consumers in the dark. Contact your representatives to learn more.

HHH

Welcome to **HHH**, Horticulture Hints and Help, a new endeavor to encourage sharing of our collective knowledge of gardening, plant identification, landscape choices, etc. Thank you to those who have volunteered to be our “experts.” Our first **question** came from Donna O’Brien regarding this plant that appeared in her yard. Weed or not? Confirmation came from Joyce Wallen who consulted with her son at Quality Greenhouses. **Answer:** A weed that is in the aster family and is found along roadsides. You may send your questions with or without photos to Sheri Goff at sgoff24261@aol.com. She will then forward your question to one or more appropriate club members. Some of the questions and answers will be featured in the newsletter so all can learn from the questions of others.

MEMBERSHIP

You are invited to attend a membership tea at the home of Karen McAuliffe on Monday, October 24 at 12:30. A PowerPoint presentation will explain the various committees of the Penn-Cumberland Garden Club, the Federation structure, awards and more. A light tea will be served. Committee chairmen will also be present to explain what they do and how you may be a part of their committee. To register, please contact Karen McAuliffe at 717-506-0354 or sign up at the September meeting. Committee chairmen are also encouraged to attend.

We welcome the following new members who joined this past spring:

- Louise Kostelac – Interested in communication and Floral Design.
- Nancy Stupp – Plant Faire, and Pressed Flower Designers
- Doris Smith – Community Gardens
- Nora Pfaff – Birds, Butterflies & Wildflowers and Conservation
- Susan Kent - Community Gardens, Travel and Ways & Means
- Pat Curran - Conservation

New membership books will be handed out at the September meeting and will include these new members.

WINNER!

Guess who won the “Best in Show” award for Horticulture for this Hosta, “June,” at the Central Area Judges Council flower show? The show, “Summer Memories,” was held on August 25th at the Harrisburg Area Civic Garden Center. Congratulations to our very own President, Joyce Wallen!

PENN CUMBERLAND GARDEN CLUB BUS TRIP

THURSDAY, SEPTEMBER 29, 2016 - THE GARDENS AT MT CUBA CENTER

Wilmington, Delaware Area

DEPART RADISSON HOTEL, CAMP HILL PARKING LOT AT 7:45 AM AND RETURN AT 6:30 PM. TRIP INCLUDES BUS TRANSPORTATION, ON-BUS SNACK, DRIVERS TIP, AND (TWO HOUR) GUIDED TOUR OF MT CUBA CENTER. LUNCH IS ON YOUR OWN AT "BACK BURNER RESTAURANT & TAVERN." COST FOR THE TRIP IS \$58, PAYABLE TO PCGC. MAIL CHECK TO: NANCY TOOLE, 8 HOOKER COVE, EAST BERLIN, PA 17316-9324 QUESTIONS; 717-259-8098 or tooles1967@gmail.com

Celebrate the beauty of Mt Cuba gardens and gain a greater appreciation for native plants through a two-hour, docent led tour. Their unique naturalistic landscapes feature tranquil ponds, winding woodland paths, and a vibrant meadow sure to delight gardeners and novices alike. This was the former home of Mr. and Mrs. Lammot du Pont Copeland located in the rolling hills of the Brandywine Valley outside Wilmington, Delaware.

The gardens at Mt Cuba include: Formal Garden...features seasonal displays of color-themed annuals, native perennials and showy native shrubs in concentric circles. The Maltese cross-shaped swimming pool is the center of this garden.

Trial Garden....Here, tickseeds, coral bells and Baptisia as well as other native species are tested for their performance in a variety of conditions.

Pond Gardens...a series of four man-made tranquil ponds connected by rills and spillways creating a charming setting for a wide range of native shrubs. Visitors may rest in the 19th century gazebo and listen for the sounds that water and nature bring together. Note: There is a golf cart to take you to the Ponds if needed.

Other gardens are: Woods Path, West Slope Path, Dogwood Path, Meadow, Lilac Allee, Trillium Garden, Lower Oak Allee.

Nancy Toole, Travel Chairman

MEADOWBROOK GOURDS TOUR/PROJECT

The Horticulture committee is sponsoring this fun event on Thursday, October 6th at 2 pm. We will each make a gourd birdhouse with cost approximately \$10. A sign up sheet will be circulated at the September meeting. We need 10 people to participate. Mark your calendars now. Meadowbrook Gourds is at 125 Potato Road, Carlisle, PA 17015.

Carol Hollis, Horticulture Chairman

Penn-Cumberland Garden Club Presents:

ANNUAL BENEFIT

If everyone in the club attends this special event this year AND brings a guest, we can set an all time record for attendance AND scholarship fund raising! Mark your calendars now, call a friend and bring your checkbook to the September meeting to purchase your tickets NOW.

Betty Pisano, Benefit Chairman

DISTRICT IV MEETING - SEPTEMBER 7, 2016

PCGC hosted this meeting at the Susquehanna Club in New Cumberland. It included a continental breakfast (thank you Anne Keck), presidents' meeting, business meeting, installation of officers, luncheon and sundae bar, a great program and a raffle! Plus shopping for plants and the pressed flower creations from our very own "Pressers." We were honored to have our State President, Sharon Brown, with us as well as Vice Presidents Christine Leskosky and Joyce Milberg join us. Thanks to Judy McGinnis and Dee Titus for creating the table centerpieces as well as other bouquets to enhance the venue. Kudos to Joyce Wallen and Nancy Hackett for overseeing all of the arrangements to make this lovely day happen.

Nancy Fulk, outgoing Director, Joyce Crider, incoming director
